

11<sup>th</sup> Annual  
2010 Michigan State IDPA Championship

## Novice Shooter Agreement

**NOVICE SHOOTERS** please provide at least three dates that you have participated in an IDPA match at your home club, along with your current Match Directors signature. This is to insure your knowledge of IDPA and the safety of everyone involved in our event.

By signing this agreement, I am aware the courses of fire at an IPDA State Championship will be more detailed and difficult than a regular match. The Match Director's signature insures my knowledge of IPDA and ability to safely handle a firearm.
